Work-around regarding campaign:

Although google bans any selling of any intellectual related material (writing of thesis, essays etc) However the only work-around regarding this is to select the targeted countries and run the campaign. The only initial check that google does is checks the keywords eligibility. Currently if I input essay related keywords the status for the keywords is eligible.

<input type="checkbox"/>	<input type="radio"/>	Keyword ↑	Status
<input type="checkbox"/>	<input checked="" type="radio"/>	Buy Essay Online	Eligible
<input type="checkbox"/>	<input checked="" type="radio"/>	Custom Writing	Eligible
<input type="checkbox"/>	<input checked="" type="radio"/>	Do my Essay	Eligible
<input type="checkbox"/>	<input checked="" type="radio"/>	Essay Writing	Eligible
<input type="checkbox"/>	<input checked="" type="radio"/>	Essay Writing Service	Eligible
<input type="checkbox"/>	<input checked="" type="radio"/>	Write my Essay	Eligible

After this once the payment method is set up google will set up the ads and start displaying. Unless and until it is cancelled by google it will keep on being displayed and ofcourse will only utilize the money placed into the ads for which google has delivered results.

An example of under-review/rejected keywords/campaign is as follows:

<input type="checkbox"/>	<input type="radio"/>	Keyword ↑	Status	Max. CPC	Policy details
<input type="checkbox"/>	<input checked="" type="radio"/>	Buy Smok Kit	Eligible	auto: PKR1	Eligible
<input type="checkbox"/>	<input checked="" type="radio"/>	Buy Vape	Eligible	auto: PKR1	Under review
<input type="checkbox"/>	<input checked="" type="radio"/>	Buy Vape in Australia	Eligible	auto: PKR1	Under review
<input type="checkbox"/>	<input checked="" type="radio"/>	Buy Vape Online	Eligible	auto: PKR1	Under review
<input type="checkbox"/>	<input checked="" type="radio"/>	Buy Vaporizer	 Eligible	auto: PKR1	Under review
<input type="checkbox"/>	<input checked="" type="radio"/>	Smok Alien	Eligible	auto: PKR1	Eligible

For vapes all the keywords regarding the selling of any product is not-eligible. However the brand names are eligible. Where as our keywords for the campaign show eligible under policy details.

<input type="checkbox"/>	<input type="radio"/>	Keyword ↑	Status	Max. CPC	Policy details
<input type="checkbox"/>	<input checked="" type="radio"/>	Buy Essay Online	<u>Eligible</u>	auto: PKR184	Approved
